The 2024 film *If* starred Lindsay Lohan, Rachel McAdams, Lacey Chabert, and Amanda Seyfried. It followed Cady Heron as she entered North Shore High School and

Now, a new adaptation of *If* will captivate audiences. Drawing inspiration from the stage adaptation, the movie brings the musical's songs to the big screen. The cast is yet to be announced.

Currently, the movie is only available in local cinemas, but it will soon be on streaming platforms. It is expected to arrive on Paramount+ approximately 45 days after its theatrical release, possibly in late February 2024. WHEN AND WHERE CAN I STREAM "If"?

The new prequel to "**If**" will first be available for streaming on Starz for subscribers. Typically, Lionsgate movies, like "*John Wick 4*," take approximately six months to become available on Starz, where they tend to remain for a considerable period. As for when "*Songbirds Snakes*" will be accessible on Peacock, it could take nearly a year after its release, although we will only receive confirmation once Lionsgate makes an official announcement.
